CERTIFICATIONS

Wordpress, Hidaya Institute	Jul 2025
-----------------------------	----------

Successfully completed a WordPress certification from Hidaya Institute (Certification No: 23342) on 15/07/2025. Gained practical experience in installing and configuring WordPress, customizing themes, integrating plugins, creating and managing website content, and designing responsive web pages. This certification enhanced my web development skills and prepared me for building and managing dynamic websites, making me ready for entry-level and apprenticeship roles in IT and web development.

Web Development, NAVTTC (National Vocational & Technical Training Commission)	May 2024
---	----------

Successfully completed NAVTTC-certified training in Web Development, gaining hands-on experience in HTML, CSS, and JavaScript. The training focused on building responsive and user-friendly websites, creating structured web pages, applying modern styling techniques, and adding basic interactivity using JavaScript. This certification strengthened my frontend development skills and prepared me for entry-level and apprenticeship roles in the IT industry.
